

SHORELINE DISTRICT EMERGENCY COMMUNICATION PLAN

Your area in the Shoreline District is _____.

The pyramid represents the line of communication between your neighborhood and the City of Layton's emergency responders.

The purpose of the plan is to

- Prepare the neighborhoods for how to respond to potential emergencies and disasters.
- Identify how families/individuals communicate their needs during an emergency.
- Work collaboratively to support the neighborhood in responding and recovering.

Consider the 12 Areas of Preparedness on the Be Ready Utah website. Initially, focus on Water, Food, and Important Documents & Money.
